| Women's 4x100m | SMVITM Women |
| Overall Points | SMVITM |

Guest Lecture: AI & Ethics by Dr. R. Narayan

Oct 12, 2025 • Dept. of Computer Science

Dr. R. Narayan (AI Research Lab) delivered an engaging lecture on ethical considerations in AI systems and practical approaches to building fairer models. The session included a Q&A and a short workshop demo.

Slides and recordings are available in the departmental repository.
